

*Beginning my college career at UW-Marquette was one of the best decisions I have ever made. I received my general education requirements close to home, in small classes, for a small price. My associate degree transferred to UWGB and I was able to begin there as a Junior working towards my bachelor's degree in Business Administration. Thanks UW-Marquette!*

*I chose to go to UW-Marquette over a four-year school right away because of the better cost. I can live at home and go to campus about two miles away and with the money I'm saving, I can put that to the side for when I do transfer to UW-Green Bay. When I chose my program and major, UW-Green Bay had numerous people who helped me along the way. I had two or three people call my house, personally, to check up and see how everything is coming along. They went step-by-step with me along the way to make sure my transition was as smooth as possible.*

## START AT UW-MARINETTE

**Get in on the UW-Marinette Advantage—**

- ✓ **One-on-one advising**  
Plan both your associate degree and the full path to your bachelor's degree with your local UW-Marinette advisor.
- ✓ **Academic success**  
Discover that that starting at UW-Marinette increases your likelihood of academic success and ultimately completion of your bachelor's degree.
- ✓ **Personalized attention**  
Get to know your classmates and top-notch professors in small classes and a supportive atmosphere.
- ✓ **Learning resources**  
Get a competitive edge in Success Labs that offer academic support in writing, science, math, computers and foreign languages.
- ✓ **Connection opportunities**  
Develop your talents and make friends with similar interests whether in student government, music, theatre, art, digital film, athletics, or any area which you may want to explore. Then meet professors and fellow students at UW-Green Bay before you transfer.
- ✓ **Extraordinary value**  
Save an average of \$2500 per semester over other four-year UW schools by living at home and attending UW-Marinette for the first two years of your university education.

**Beginning in the Fall, 2009, UW-Marinette freshmen will automatically be enrolled in the UW-Marinette/UW-Green Bay Connections Program.**

**The UW-Marinette/UW-Green Bay Connections Program exists to help students who begin their college education. They will complete their associate of arts and science degree at UW-Marinette, and then transfer to UW-Green Bay to finish their bachelor's degree.**

**Students are not required to transfer to UW-Green Bay. By participating in this program, all students will have an easier time navigating their transfer to any UW four-year school.**
