Additional Scholarships

Applications, deadline dates, and descriptive information for other scholarships are available in the Student Services Office. This brochure contains information on those grants and scholarships that are awarded through the Campus Scholarship Committee or are designated only for UW-Marinette students. Many other grants and scholarships are available to students of all ages. Information on other funding sources is available from the Student Service Office, UW-Marinette, or from your high school guidance office. Scholarships and grants should not be confused with financial aid programs available through the state and federal governments. Application for scholarships or grants *does not* constitute application for federal financial aid. Any student who applies for or accepts state or federal aid based on need is required by law to report the receipt of any scholarships or grant money to the Student Services Office. The entire financial aid plus the scholarship or grant may not exceed the computed financial need.

Application Process

1. Be admitted as a student at UW-Marinette.
2. Get a Scholarship Application Form, available on the web at www.marinette.uwc.edu/money-matters/scholarships/

*By completing one application form and essay, you will be considered for all scholarships for which you are eligible.

3. Your references (2) will then complete the recommendation form located online at the same address as above.

4. Compile your scholarship application materials, including your completed application form and required essay. In addition:
 - a. If you are a new student who is just graduating from high school, provide your official high schools transcripts (including first semester of senior year) and ACT or SAT score (either on transcript or from ACT or SAT).
 - b. If you are a non-traditional age student, supply official high school transcripts and/or GED score reports as well as transcripts of previous college work, if applicable.

5. Submit your application online or print your form and mail to

Awards Procedure

Scholarship and grant applications are reviewed by the Campus Scholarship Committee. Awards are made on an equitable basis. * In addition to specific requirements of individual scholarships and grants, judging criteria include some or all of the following: academic potential, motivation, demonstrated ability, communication and self-expression skills. Half the scholarship amount is generally awarded fall semester, the remaining half spring semester, depending on the recipient's grade point average.

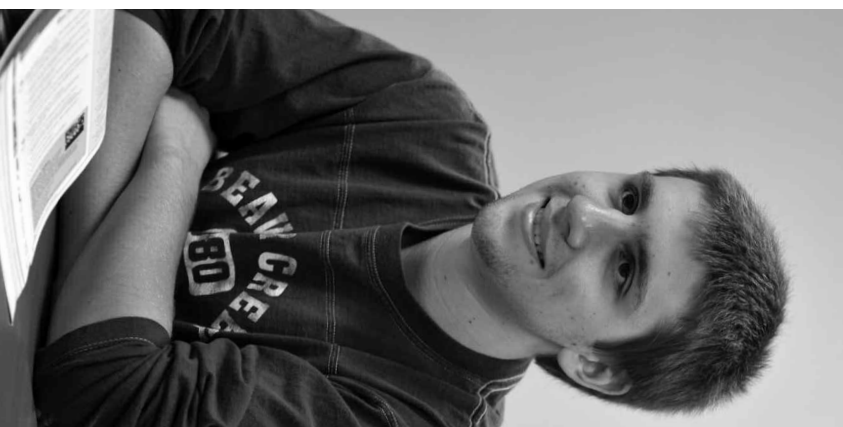

Applicants will be notified in writing regarding the decision of the committee after all applications have been considered. Recipients must enroll in classes for college credit at the UW-Marinette campus to receive appropriate monies. If a recipient is not yet registered for classes on the first day of the semester for which the award is designated, the Campus Scholarship Committee reserves the right to reassign the scholarship.

If you have questions, call the Office of Student Services at (715) 735-4301.

*The University of Wisconsin Colleges does not discriminate on the basis of age, race, religion, creed, color, handicap, gender, sexual orientation, developmental disability, national origin, ancestry, marital status, arrest or conviction record in their educational programs and activities as required by state and federal laws and regulations.
